The Correct Answer is **D**

DETAILED SOLUTION

(Unchecked Exception will come because Unsupported field: HourOfDay.i.e trying to read time which is not part of Date. If ISO_DATE_TIME is changed to ISO_DATE then output will be 2014-05-04) To print ISO_DATE_TIME the function call should be `String date = LocalDateTime.parse("1994-11-05T13:15:30").format(DateTimeFormatter.ISO_DATE_TIME);`
